

PLAN DESIGN ENABLE

ATKINS is the largest engineering consultancy in the UK, the largest multi-disciplinary consultancy in Europe and the seventh largest design firm in the world.*

The majority of our work is focused on the efficient operation of our clients' capital programmes. We:

PLAN all aspects of our clients' projects, conducting studies covering technical, logistical, legal, environmental and financial considerations.

DESIGN systems, processes, buildings and civil structures. We develop cutting edge solutions and combine them with tried and tested technologies to achieve an optimal result.

ENABLE complex programmes, delivering one-off projects and managing processes to reduce timescales, cost and disruption, allowing our clients to focus on their core operations.

Contents
