

NATIONALITY DECLARATION

BAE SYSTEMS plc is required to ensure that no single foreign person is interested in more than 15% of its ordinary shares. In order to achieve this it is necessary for every shareholder to make a declaration as to whether or not they are foreign, as defined overleaf.

This form must be completed and sent to the Company's registrars with the transfer form otherwise it is not possible to register a transfer. The Company reserves the right to require evidence or information on any matter contained in this declaration.

If the foreign limits are exceeded, foreign-held shares will be required to be transferred to a non-foreign holder. If such a transfer does not take place BAE SYSTEMS has the right to order that the shares be sold and the net proceeds paid to the former owner on surrender of the relevant share certificate.
