

WE'RE INVESTING MORE AND MORE IN UK MANUFACTURING.

MADE IN BRITAIN

We're committed to achieving excellence in everything we do. Our business relies on our manufacturing performance and we're always looking at ways to improve. We are proud of our investment in new technology, our people and equipment – from new aircraft manufacturing facilities to state of the art systems for the next generation of submarines for the Royal Navy. It's this investment that helps keep the UK at the forefront of world manufacturing.
